SUMMARY

I'm a conscientious, self-motivated and results-driven individual with great enthusiasm and determination to ensure efficient and optimum IT projects delivery. I have good interpersonal, communication and technical skills, coupled with my ability to simplify complex IT problems, bring success in leading teams and delivering quality work. My expertise spans from being very innovative in all aspects of IT (i.e. Software and website development, troubleshooting and advanced computer literacy and ability). I have good critical thinking, negotiation, people management, strategy implementation, policy implementor, reporting and budgeting skills.
